The Master of Accounting (MAcc) program prepares students for dynamic careers in accounting. Students gain valuable business and leadership skills as they prepare to pass the CPA exam and launch an exciting career in public accounting, corporate accounting, nonprofit, government, or other industry sectors. With a MAcc, graduates are qualified to sit for the CPA exam in Utah and most other states, opening doors to a number of career opportunities.

With full-time and part-time options, a wide range of areas of emphasis, and program options for those without an accounting background, students from any industry can start or advance their career in accounting with a MAcc from the David Eccles School of Business at the University of Utah.

Join the Women’s Mentoring Program
The MAcc Women’s Mentoring Program provides mentorship and female role models to female-identifying MAcc students. Women students benefit from this program by learning from female accounting leaders and attending an accounting-focused women's conference.

Zero Accounting Experience Required
Go from no accounting experience to earning your Master's degree with our Pre-MAcc Online Track or Pre-MAcc Summer Intensive programs. Designed for professionals with non-accounting degrees, both satisfy prerequisite coursework and award pre-admission to the full MAcc program.
