SCHOLARSHIP OVERVIEW
Applicants with a complete MSBA application are eligible to apply for admissions scholarships. A separate scholarship application will be emailed to eligible applicants after notification of their admissions decision. Criteria for awards include demonstrated excellence in academic or professional pursuits, as assessed in program and scholarship applications.

10% SCHOLARSHIP FOR U OF U ALUMNI
University of Utah alumni are eligible for a 10% tuition scholarship once admitted to the Eccles School MSBA program. Applicants can qualify for this award by including the University of Utah as their degree-granting institution as well as uploading unofficial transcripts on their program application.

Students are awarded one type of scholarship. The scholarship committee will select the best scholarship based on the student’s background and eligibility.

Ranked No. 7 in the U.S. by the TFE Times, the Master of Science in Business Analytics (MSBA) program equips students with the necessary skills and knowledge to compete in the rapidly growing market for analytics and data science professionals. Companies in the private and public sector have a need for executives, analysts, and specialists with advanced training in analytics technology and business management, and the Eccles School gives you just that. Students exit the program ready to enter the world of big data.

With evening and online courses and an accelerated 17-month format, full-time and part-time professionals can fit the program into their schedule.

CAREER SERVICES
MSBA students benefit from working one-on-one with a dedicated career coach throughout the program. Our career coach teaches a career development course designed to define and develop professional goals, build a personal career action plan, and refine the skills necessary for a successful career.

With a number of Fortune 500 technology companies located in and near Salt Lake City and Silicon Slopes, our MSBA graduates accept job opportunities at some of the most prestigious corporations in the United States.

INCREASE YOUR SKILLS

MSBA Capstone
The capstone is an in-depth, consulting-based project. Students put their classroom knowledge to work to execute a data analytics project for an industry partner. The capstone is three credit hours completed over two to three semesters.

Concurrent Degrees
Students have the option to earn a Full-Time MBA, Professional MBA, MBA Online, MS Finance, or MS Information Systems concurrently with the MSBA. Learn more at Eccles.link/MSBA-Concurrent.
