Ranked No. 6 in the U.S. by the TFE Times, the Master of Science in Business Analytics (MSBA) program equips students with the necessary skills and knowledge to compete in the rapidly growing market for analytics and data science professionals. Companies in the private and public sector have a need for executives, analysts, and specialists with advanced training in analytics technology and business management — the Eccles School gives you just that. Students exit the program ready to enter the world of big data.

With evening and online courses and an accelerated 17-month format, full-time and part-time professionals can fit the program into their schedule.

GATEWAY TO A GROWING INDUSTRY

Demand for data scientists is expected to grow 36% by 2031, according to the U.S. Bureau of Labor Statistics, and Harvard Business Review says “the job of data scientist will only continue to grow in its importance in the business landscape.” Whether you have a background in data science or not, the skills earned in the MSBA program can help you advance in or enter this growing industry.

CAREER SERVICES
MSBA students benefit from working one-on-one with a dedicated career coach throughout the program. The MSBA career coach helps students prepare to enter the growing market for analytics professionals and teaches a one-credit-hour course on career development.

With a number of Fortune 500 technology companies located in and near Salt Lake City, our MSBA graduates accept job opportunities at some of the most prestigious corporations in the United States.

INCREASE YOUR SKILLS

MSBA Capstone
The capstone is an in-depth, consulting-based project. Students put their classroom knowledge to work to execute a data analytics project for an industry partner. The capstone project is three credit hours completed over two to three semesters.

Concurrent Degrees
Students have the option to earn a Full-Time MBA, Professional MBA, MBA Online, MS Finance or MS Information Systems concurrently with the MSBA. Learn more at Eccles.link/MSBA-Concurrent.
