PROGRAM HIGHLIGHTS

Business Career Services: Students receive professional career management services and an MSCM senior career coach to provide students with guidance on all aspects of building a great career.

MSCM Capstone: In place of a Master's thesis, students complete a capstone project as the culmination of their degree.

STEM Designated Program: As a STEM program, international students starting with an F-1 visa are eligible for up to 36 months of post-graduation OPT.

Work-Compatible Schedule: To accommodate working professionals, most MSCM courses are held in the evenings or online.
