

MSF

MASTER OF SCIENCE IN FINANCE

Ranked No. 1 nationally by the *Financial Times* for best value and No. 11 overall by the *TFE Times*, the **Master of Science in Finance (MSF)** program is on the rise. Designed to develop innovative thinkers who will lead the next generation of financial professionals, the MSF degree adds clout to your resume and expands your career options.

With formats to attend in-person, online, full- or part-time, as well as a core-to-elective ratio that lets you choose nearly half your classes, the MSF program includes flexibility to customize your degree.

Apply technology and data analytics to the finance industry.

EMPLOYMENT SUCCESS

STARTING SALARY

\$73,764

average starting salary of
MSF graduates, 2021

EMPLOYMENT RATE

95%

MSF graduates employed 3 months
post-graduation, 2021

CAREER SERVICES

MSF students benefit from working one-on-one with a dedicated career coach throughout the program. The MSF career coach helps students make meaningful connections with potential employers as well as provides support throughout the job-search process.

INCREASE YOUR SKILLS

✓ **100% Online MSF + Accounting Track**
MSF students have the opportunity to pursue a number of academic tracks and certificates, including our new **100% online Accounting Track**. Students also may take electives from more than one area.

✓ **Concurrent Degrees**
Students have the option to earn an MBA, MS Business Analytics, MS Information Systems, or Master of Real Estate Development concurrently with the MSF. Learn more at [Eccles.link/MSF-Concurrent](https://eccles.link/MSF-Concurrent).

✓ **Professional Partnerships**
The MSF program is proud to be a **CFA Institute affiliate** and a **CAIA academic partner**. These partnerships provide meaningful educational, networking, and scholarship opportunities for students.
