

2023-24 CATALOG YEAR

ACCOUNTING

MAJOR

Identify relevant transactions and organize them into meaningful information that managers, investors, and regulators use for economic decisions.

Admission to the Accounting major is competitive. Please visit [Eccles.link/ACCTG-Admission](https://eccles.link/ACCTG-Admission) for information about admission criteria and policies.

In addition to completing the University of Utah's and David Eccles School of Business's Core requirements, students seeking a Bachelor's Degree in Accounting must complete the following courses.

Students can find full course descriptions and requisite details in the general catalog at catalog.utah.edu and on the class schedule.

Visit [Eccles.link/BCore](https://eccles.link/BCore) to see what core you have been assigned and make an appointment with your academic advisor at [Eccles.link/youradvisor](https://eccles.link/youradvisor) to confirm your path to graduation.

Notes on electives options for Accounting majors:

- For double majors in Finance and Accounting, FINAN 4070 will not meet an ACCTG elective.
- **Any student planning to sit for the CPA exam will need a minimum of 2 ACCTG-specific electives;** completion of 2 or more electives outside the ACCTG class options (IS or FINAN) can cause a discrepancy in the number of ACCTG courses required for CPA eligibility.
